

## HOMESITE #29 • PLAN 2 • MODERN ELEVATION

3 BR / 2 BA / 1 Story / 3-Car Garage • 1,739 SF • **\$545,374** • 11,200 SF Lot

Homesite #29 offers plenty of elbow room with an 11,200 square foot lot, no rear neighbors, and the addition of a single-car side garage. This popular single-story floorplan has a split master suite for privacy and walk-in closets in every bedroom. The gourmet kitchen includes upscale birch cabinetry, a large island, wrap-around counter space, and Whirlpool stainless steel appliances. Buyers still have time to make selections for flooring, countertops, and cabinetry.

### INCLUDED FEATURES & UPGRADES

- Split Master Suite for Privacy
- Dining Room Glass Multi-Slider Door to Patio
- Covered Patio for Outdoor Living
- Additional Single-Car Garage with Man Door
